Revival-Eyes

"Winner of the NBC News-Best of Eye Creams" Effective for even the most sensitive eyes. Clinically proven to diminish lines, increase firmness, reduce dark circles and enhance texture and smoothness.

Feed the Skin from Within with Vitamins

"New vitamins and antioxidants have been designed to provide extra protection against aging skin." (omega-3 oils, soy CoQ 10, hyaluronan)

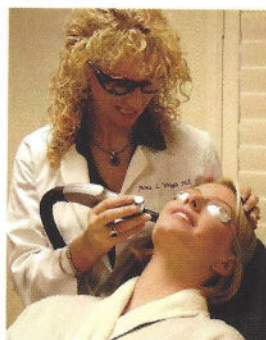

Green Tea

"The medicinal properties of tea are well known. The skin benefits of green tea include skin cancer prevention and reducing inflammation that can lead to skin aging. So drink up!"

VelaSmooth

"A revolutionary treatment proven to reduce and eliminate cellulite! This series of treatments will also tone and tighten your skin with no downtime or diet! Best treatment for those with mild to severe cellulite—and for body contouring I love to add the VelaShape"

Chemical Peels

"Used for over 100 years, peels are performed to reduce sun-damaged and rough skin, brown spots and acne scars."

Prevía

made exclusively
for women

"As estrogen drops, our skin ages quicker and demands more. This unique formulation helps rebalance the skin and works with our skin's natural repair cycle."

The Eyes Have it!

"Giving yourself a brow-lift with Botox or filling in the hollows with fillers is the easiest way to put the sparkle back in your eyes. Then show off your "butterfly kisses" with the easy to wear Extreme EyeLash Extensions."

The "IT" treatment for Skin Tightening

"Palomar 1540 Lux Lift is the "IT" treatment to tighten facial skin, jowls and sagging necks. With no reason to miss work- it will also smooth out fine lines around the eyes and mouth and can be used just about anywhere!"

Backcial

"This relaxing deep cleansing treatment will make you swimwear or high fashion ready - as you polish and hydrate the skin, giving it a clean glow that is soft to the touch."
